

Dear New OLOL School Families,

Welcome to the 2026-2027 school year! We are excited for your child to be part of our school family. As a way to welcome your child to Our Lady of Lourdes School, we would like to place a "Welcome to Lourdes" sign in your front yard on the evening before the first day of school. It is a fun way to get your child excited about all of the possibilities the school year holds. We plan to keep the signs up for the first week of school. We would appreciate your response to the following questions:

☐

YES, I approve of having a "Welcome" sign placed in our yard.

☐

NO, please DO NOT place a sign in our yard.

Additionally, the signs are collected and reused from year to year. They are numbered for tracking purposes.

Please return to the school office by Friday, September 11.

Family Name _____

Please consider keeping the sign a secret until it appears, to create an exciting surprise for your child the first day of school. If you have any questions, please call 336-3091.

Thank you for choosing Our Lady of Lourdes School!

Sincerely,

Jessica Nejedlo - Principal
