

Parents,

In preparation for the start of the school year, please login to PowerSchool to review your child's information (immunizations, home address/phone and emergency contacts).

Throughout the school year, please utilize PowerSchool to view your child's grades, check the lunch balance and more.

Access PowerSchool using the following [link](#). It is also available on the main page of the school website.

Your username is your EMAIL address.

- If you forgot your password, click on the **Forgot Username or Password** link.
- Specify your username and email address (these fields should match).
- A password reset request will be sent to your email.

If you are a first-time user to PowerSchool, please use a computer for the initial logon. When you have established your password, you can use the PowerSchool APP for your mobile device. The mobile application is PowerSchool from Pearson Software. The district app code is MNJQ.

Additional information regarding PowerSchool can be found on the [GRACE](#) or [school](#) websites.

If you require assistance, please contact the school office at (920) 336-3091 or oloffice@gracesystem.org.
